

# Save the Date!

**We'd love for you to join us on Tuesday, October 22nd, from 6:00 PM to 7:15 PM in the Sea Flower Room (CG3) for an EARTHDAY.ORG Side Panel: "From Bees to Breeze: Deploying Renewable Energy and Nature's Power."**

EARTHDAY.ORG (EDO), the organization behind Earth Day celebrated on April 22 by over one billion people globally in 192 countries, has revealed the new Earth Day theme for 2025: OUR POWER, OUR PLANET.

Join our specialist panel, hosted by Aidan Charron, Associate Director of Global Earth Day, as we explore how renewable energy can enhance human health and support biodiversity. The discussion will also address the role of climate education and green skilling in preparing future generations for a clean energy revolution.

**6:00 PM**

Drinks and  
hors d'oeuvres

**6:25 PM - 6:35 PM**

Opening remarks from  
Aidan Charron

**6:35 PM - 7:15 PM**
