

Earth Day Campus Coalition

The Earth Day Global Conversation

The Global Conversation is a world-wide, coordinated event series that facilitates discourse on environmental policy between decisionmakers, like government officials or campus administrators, and their constituents or students.

Campuses are well positioned to facilitate discourse, education, and the democratic process. Join the conversation this Earth Day!

How you can get involved

1. Organize an Earth Day Global Conversation Forum
 - a. Facilitate discussion with local elected officials
 - b. Facilitate discussion with students & student organizations
2. Organize a Demonstration or Rally
3. Host student environmental organizations to discuss environmental issues on campus with your campus leadership
4. Incorporate the [“Our Power, Our Planet”](#) theme into your plans

How we can help you

1. Virtual consultation and support with event planning
2. Support recruiting elected officials for forums
3. Help publicizing your event to local, subnational, & national media
 - Inclusion of your action on the [Earth Day Global Event Map](#)
4. Materials highlighting the Earth Day theme
 - [“Our Power, Our Planet” fact-sheet](#)
 - “Our Power, Our Planet” pamphlets
 - Social media assets and materials
5. Event Planning Checklists
